The American Institute of Ultrasound in Medicine Announces Accreditation of Midwest Health Partners' OB/GYN Clinic

NORFOLK — The Ultrasound Practice Council of the American Institute of Ultrasound in Medicine (AIUM) is pleased to announce that Midwest Health Partners' OB/GYN Clinic has achieved accreditation in Obstetric, Gynecologic, Breast and Abdominal/General Ultrasound.

Midwest OB/GYN Clinic, P.C. has achieved accreditation in recognition that the practice has met voluntary standards set by the diagnostic ultrasound profession. The entire practice was reviewed, including the practice's personnel; physical facilities; documentation, storage and record-keeping practices; policies and procedures; quality assurance methods and how the practice meets the AIUM Standards.

The AIUM is an association dedicated to promoting the safe and effective use of ultrasound. Accreditation by the AIUM demonstrates a facility's clinical excellence and its commitment to the highest quality patient care when providing diagnostic ultrasound services. To become accredited, a practice must undergo a rigorous and detailed application process to meet nationally accepted standards, and demonstrate consistent excellence in patient care. Midwest Health Partners' sonographer is Nora Petersen BS,RT (R), RDMS.
